

## Shareholder Dialogue for a Global Impact

**8 March 2011 17:30 – 19:30**  
**Le Parker Meridien Hotel, 119 West 56th Street, New York, NY 10019**

*Shareholder dialogue is an opportunity for investors to talk to companies to make real long-term impact on environmental, social and governance issues. This is particularly relevant when investors want to change corporate behaviour in jurisdictions where shareholder resolutions are not an option.*

*At this free event institutional investors can explore opportunities for shareholder dialogue, how to overcome common obstacles to dialogue and find out about what differences may exist between carrying out shareholder dialogue on a domestic and global scale.*
